

TITLE 16. MEDICAL BOARD OF CALIFORNIA

NOTICE IS HEREBY GIVEN that the Medical Board of California (hereinafter referred to as the Board) is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at the Doubletree Hotel, 2001 Point West Way, Sacramento, California, at 9:45 a.m., on May 9, 2003. Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board at its office not later than 5:00 p.m. on May 5, 2003 or must be received by the Board at the hearing. The Board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by Sections 2018 of the Business and Professions Code, and to implement, interpret or make specific Sections 2018, 2089 and 2089.5 of said Code, the Medical Board of California is considering changes to Division 5 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Amend Section 1300.4 and adopt Section 1314.1.

Existing regulations do not describe the process that the Division of Licensing uses to review the curricula of international medical schools to determine if they satisfy the minimum standards outlined in statute. The proposed amendments would detail the elements of the review process and the standards applied during the review.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Sections 17500 through 17630 Requires Reimbursement: None

Business Impact:

The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The following studies/relevant data were relied upon in making the above determination: the proposed amendments affect medical schools located outside the United States and will have no impact on California businesses or institutions.

Impact on Jobs/New Businesses:

The Medical Board of California has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The Medical Board of California is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The Medical Board of California has determined that the proposed regulations would not affect small businesses. The proposed amendments affect educational institutions located outside the United States.

CONSIDERATION OF ALTERNATIVES

The Medical Board of California must determine that no reasonable alternative which it considered or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.

INITIAL STATEMENT OF REASONS AND INFORMATION

The Medical Board of California has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.
